

List of Current Fellows

The Society is in the process of updating the information it presents here relating to its Fellows and Members. This project will ensure that listings of Fellows and Members remain much more up-to-date. The information we have at present contains some gaps as we collate our records; however, we're currently working with the membership to amplify these listings and keep them current. If your details have changed and you wish to update them, please email administration@royalhistsoc.org
